comment

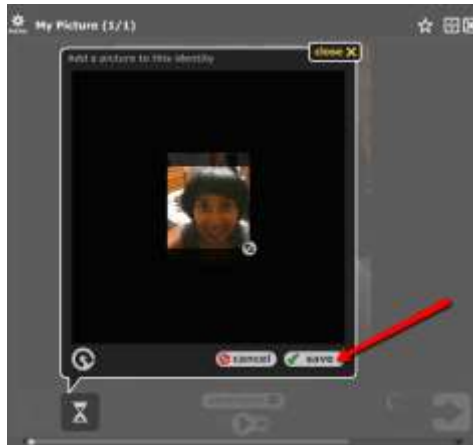

Voice Thread will ask you to upload your image

You may select an image from your computer file to upload

Once your image loads, Click save

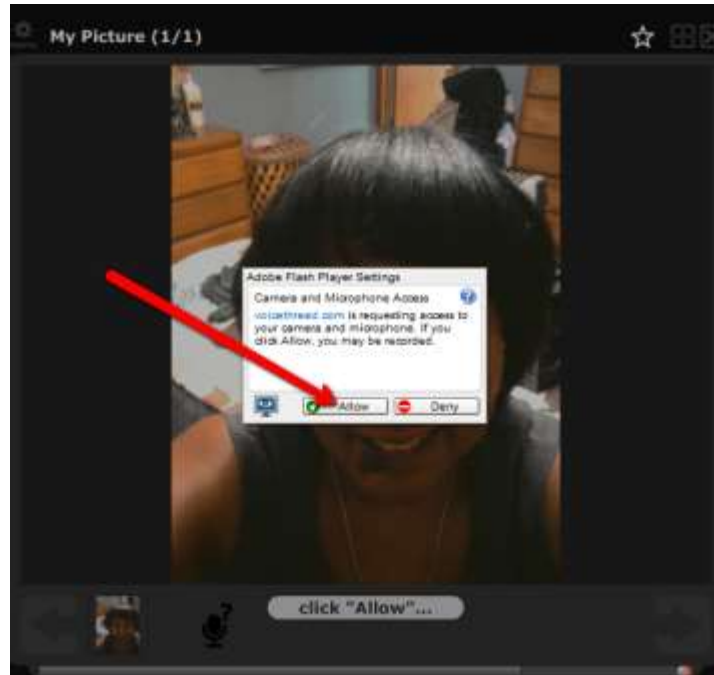

Click on comments

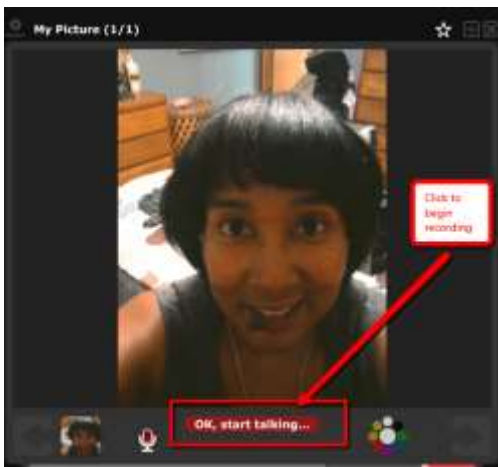

You may either video your comments by clicking on the motion picture camera or you may simply do an audio recording by clicking on the record button.

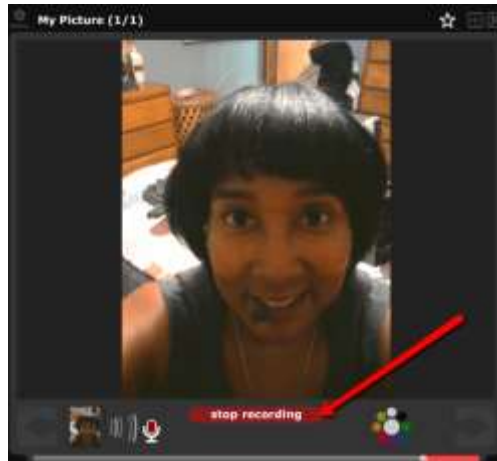

Adobe Flash Player Settings will ask if it is okay to use your computer system camera and microphone. Click Allow.

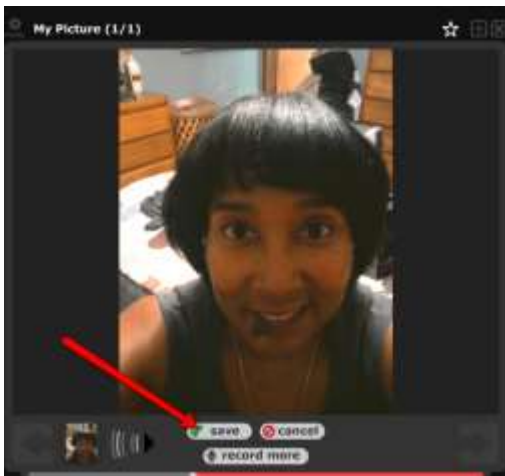

To start your Voice Thread recording, Click OK, start talking.

When you have finished your message, Click “stop recording”

Save your recording

Exit program by clicking on the “x” located in the top right corner
