Good morning my friend!

looking forward to seeing you today!!! I have the digital cameras here in my office

many of us have done the internet safety activity, Sue Corbett did it on u tube but could not access the answers. Mr. Kulchar and I did it this morning and Alisha did it last week, but the number 5 correct answer does not have an answer number next to it.

I will go over the technology plan you submitted today so we can talk that through as well... **THANKS FOR EVERYTHING!!**

Chris

Hi Mrs. Warner,
 I look forward to seeing all of you as well. Digital cameras may need AA batteries. The one that was left in the one I borrowed had expired. I will bring a few batteries with me. I should arrive around 3pm. I'll see you then.
