Starting to work on Letter of Inquiry, Need information from you.

Teri Golden <lg57@zipa.uakron.edu> to Christine Mar 7

Hello Chris,

I am starting 2 different Letters of Inquiry (LOI), 1 for writing, and 1 for Professional Development—Need to include incentives for teachers to take Professional Development outside of school day based on contingency pay, in which a certain segment of the teacher's base pay (such as 5 percent) of 1 year is reserved contingent upon participation in a wide range of professional development activities. [Read other amount from you](#)

Thanks in advance

Christine Warner <cwarn@bethlehem baptist.org> to me Mar 8

Good morning!

just to clarify: so the teachers would be paid for attending professional development?

we give them 2 days now of professional development as well as they can take a day off a 'professional day'.

Can you give me a few specific examples?

Thanks!!

The grant will fund the hours for Professional Development beyond the school day, I like the idea of starting the training over the summer. The summer program will consist of:

- 1) Basic computer training and internet navigation
- 2) Web-based Learning System (opportunities to learn free web tools such as Wikispaces, Skype, Voice Thread, Gmail, Google Docs, Audacity, and Blogging.
- 3) Internet Safety and Netiquette policies and guidelines for students

This will be the starting point for teachers to decide how they wish to integrate technology into their classrooms. The Professional Development program will then be designed to fit the teachers' needs for technology. The Professional Development will continue throughout the school year.

I am drafting the Letter of Inquiry (LOI), once I have the draft I will send to you. The final letter has to be submitted by Pastor Don or

Hello Dr. Tsai,

I have been working with Christine Warner, Principal of Bethlehem Christian School in Orange Village, Ohio, developing a technology program for the school. The Principal and I have found a grant foundation that will fund our efforts to get the school a wireless network. The Ambrose Monell Foundation <http://www.monellretleson.org/monelli/grants.htm>

I placed a call to them several months ago, and they suggested we write a **Letter of Inquiry** (attached). I would like to pursue this grant proposal with your permission.

If you approve, I would like to submit a full grant proposal to Ambrose Monell Foundation as my Final Project.

Please advise.

Hello Mrs. Warner,

In anticipation that The Ambrose Monell Foundation will accept our project **proposal** and send us the necessary **grant** application, I made a draft of what should be included on the application. (Attached)

In the mean time, have you a **date** I may come to the school and work with the teacher on digital cameras for digital uploads to computer applications?

Terri Golden <fig57@ziips.uakron.edu> May 2 (11 days ago)

to Christina, Pastor

Hello Mrs. Warner and Pastor Don,

Attached is the Final Draft of the Bethlehem Christian Academy Technology Plan and Acceptable Use Policies. Please read over and let me know if you have any questions, concerns, changes, and/or suggestions, needed by Monday, May 6th.

If this Plan meets your approval, please print a copy for you both to sign on page 15. I would like to pick up your signature page no later than May 9th, the last day of my school semester.

Thank you in advance.

Have a blessed weekend, the weather is beautiful!

Donald Morris May 2 (11 days ago)

to me, Christina

WOW! Thanks for all your hard work. After reading over the proposal, I am sure Mrs. Warner would have a couple of things she will want, and need to tweak a bit. But, you have done an outstanding job. your service and love for BCA!

Signature Page for BCA Technology Plan

Terri Golden <tg57@zipa.uakron.edu> to Christine, Pastor - May 7 (6 days ago)

Good Morning Mrs. Warner and Pastor Don,

I did a really silly thing and omitted my name on the Technology Plan, so, I am sending a corrected copy of the page 14, signature page of the plan. Please sign and send me the updates for the Technology Plan to finalize.

Thanks in advance.

In Christ We Trust Our Lives,
Terri Golden

MONITORING, ASSESSMENT, AND EVALUATION

The Administrator, Teachers, and Church elected School Board will be responsible for annual review and evaluation of the technology plan. The committee will also use the rubric as recommended by the Ohio Department of Education. The technology committee will measure and report the effectiveness of BCA use and integration of technology. In addition, the committee will assess the amount and type of computers, network services, use of other technological tools, etc. The results of these assessments will be utilized to generate strategies for continuous improvements of the project.

ACCEPTABLE USE POLICY

Online Safety and Behavior Bethlehem Christian Academy, in accordance with amendments to the Children's Internet Protection Act (CIPA) contained in the "Protecting Children in the 21st Century Act" (October, 2008), will include in our technology education program for Minors instruction concerning:

- o Appropriate online behavior;
- o Interacting with other individuals on social networking websites and chat rooms;
- o Cyberbullying awareness and response.

The use of technology at Bethlehem Christian Academy is a privilege extended to students, staff, and community to enhance learning and exchange information. You will note that BCA meets all the requirements of the Federal Children's Internet Protection Act (C.I.P.A.). Guidelines for use of technology will be published in the Student/Parent Handbook for each school. The policies and guidelines are located in Appendix C.

Without equitable access to information and communication, disparities in educational opportunities occur. Students at BCA will have equitable access and be provided with educational opportunities to learn how to use these technologies.

This Technology Plan meets the approval of Bethlehem Christian Academy stewards of Christian Education.

Terri L. Golden, Volunteer Technology Coach

Christina Warner, Administrator & Principal

Rev. Don Morris, Pastor
