Terri Golden:

Congratulations! You have been accepted as a volunteer for the 2013 Ohio Educational Technology Conference! We could not make this Conference a success without volunteers like you.

You will receive your volunteer schedule and assignment by mid-December.

As a reminder, your email address will be shared within the volunteer group. This will provide more access to communication with the volunteer coordinator and other volunteers, as well as ability to switch shifts if needed.

Complimentary Conference registration for all three days is provided in exchange for volunteering. You will receive: Conference bag, attendee badge, registration materials and, of course, the official Educational Technology Conference volunteer shirt!

Please notify the eTech Ohio volunteer coordinator if for some reason you can no longer volunteer or of any changes to your contact information. If you have any questions, please contact the volunteer coordinator.

Thanks again for volunteering at the upcoming Conference. We couldn't do it without you! If you have any questions or concerns, please contact the volunteer coordinator.
